EX-STAIN

BORE IRON STAIN CLEANER

Scrub-free * 100% organic * Biodegradable

5 litre (1.3 US gal)
Net Weight 5.00kg (11.02 lbs)

Ex-Stain BORE IRON STAIN CLEANER

- ✓ *Ex-Stain* BORE IRON STAIN CLEANER is a powerful, scrub-free formulation for removing iron and other bore water stains from hard surfaces such as pathways, walls and windows.
- ✓ *Ex-Stain* BORE IRON STAIN CLEANER is 100% organic, biodegradable and non toxic to plants.
- ✓ *Ex-Stain* BORE IRON STAIN CLEANER is suitable for most porous and non-porous surfaces including concrete, cement, brick, limestone, glass, rendered and painted surfaces, untreated wood, stainless steel, galvanized metal, plastic, fiberglass and porcelain.

DIRECTIONS USE ONLY AS DIRECTED

Preparation: Spot test prior to use. Avoid using during hot or windy conditions and ensure surface is relatively dry.

Usage: For best results, apply EX-STAIN BORE IRON STAIN CLEANER using a low pressure spray. Apply until surface is fully saturated. Once the stain has disappeared - typically allow 3 to 5 minutes - rinse thoroughly with water. Stubborn stains may require respraying. Do NOT allow EX-STAIN BORE IRON STAIN CLEANER to dry on the surface before rinsing.

Over-spray: Aim to minimize over-spray onto plant foliage and other surfaces that have not been spot tested. Wash over-spray off during the rinsing phase.

Application rate: 200-300ml per sq.m. (4-6 tsp per sq.ft.).
